

Appendix 4

The English version is a translation of the original in Danish for information purposes only. In case of a discrepancy, the Danish original will prevail.

Declaration that there is no requirement of planning documentation

In connection with the tenderer's [*insert name of tenderer, CVR no./CPR no./other identification no. for non-Danish tenderers and address*] submission of bid in the Danish Energy Agency's technology-neutral tendering procedure, the tenderer hereby declares that for the solar PV installation(s) and/or the hydroelectric power plant(s) covered by the bid (see Appendix 1 and Appendix 2) there is no requirement of planning documentation in accordance with the Danish Planning Act and the Danish Act on Environmental Impact Assessment, i.e. an adopted local development plan, including an approved EIA report or an EIA decision stating that there is no obligation to prepare an EIA report; a rural zone permit; and/or a dispensation from an adopted local development plan; and/or a dispensation from a rural zone permit if such a dispensation exist.

Documentation for signatory authority must be included with the bid and cannot be more than three days old from the date of signing the tender letter.
